Such assessments will be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and a continuing lien on each Lot against which such an assessment is made. Each such assessment, together with interest, cost and reasonable attorneys' fees shall also be the personal obligation of the person or persons who own the Lot at the time the assessment fell due, but such personal obligation shall not pass to the successors in title of such person or persons unless expressly assumed by them. However, all future transferees of Lots shall have the obligation, prior to purchase, to verify with the Association and/or Declarant that such assessments have been paid to date and that the property to be acquired is free and clear of all assessed indebtedness.

Section 2. "**Purpose of Annual Assessments**" The annual assessments levied by the Association shall be used exclusively to promote the health, safety, welfare, and recreation of the residents in the Subdivision, and for the improvements, security, preservation, operation and Maintenance of the Common Areas and/or of improvements situated within same or within the control of the Association. In the event an Owner of any Lot, its family, guests, invitees, agents or other persons using the Lot, shall fail to maintain the premises and the improvements situated thereon in a reasonably neat and orderly manner, the Association, Declarant or the Committee shall have the right, through their agents and employees, to enter upon said Lot and repair, maintain and restore the Lot and exterior of the buildings and any other improvements erected thereon, all at the expense of Owner, and such expense of Maintenance or repair shall be added to and become part of the assessment to which said Lot is subject to.

Section 3. **Fixing of and Maximum Annual Assessments**

(a) Until January 1, 2025, the maximum annual assessment shall be Three Thousand Dollars (\$3,000.00) per Lot per year, payable in either monthly, quarterly or

yearly installments as determined by Declarant. Declarant shall monitor the expenses actually incurred within the first six (6) months after the execution of this Declaration and set an amount necessary to meet actual expenses, but not exceed the amount set out hereinbefore. The Association shall have the right to collect such assessments in advance on either an annual, monthly or quarterly basis

(b) Commencing with January 1, 2024, and continuing thereafter, all assessments shall be fixed by the Association in advance and shall be due and payable on January 1st of each calendar year, after giving due consideration to the anticipated cost of all Common Areas Maintenance obligations, and other costs of operations for the Association. The Association shall have the right to collect such assessments in advance on either an annual, monthly or quarterly basis. If at any time the Association determines that the assessments for that fiscal year are insufficient to discharge all assessments to be incurred or payable during that assessment year by the Association, the Association may increase the assessments to cover such costs (incurred or to be incurred), and such increase shall become effective at the beginning of the next annual or quarterly assessment period. If required, assessments shall be prorated for the period from the commencement thereof to the end of the then current calendar year of the Association.

(c) From and after January 1, 2025, the maximum annual assessment may be increased each year not more than twenty-five percent (25%) above the maximum annual assessment for the previous year unless approved by a Majority Vote of the Board of Directors as defined in the Bylaws.

(d) The Association may fix the annual assessment at an amount not in excess of the maximum prescribed herein.

Section 4. **“Special Assessments for Capital Improvements and other Expenses”** In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement (including, but not limited to, streets, gates, lighting, fencing, landscaping, subdivision signs and/or utilities) on the Common Areas, including fixtures and personal property related thereto and any other necessary expenses. Any such assessment must be approved by a majority of the Board of Directors.

Section 5. **“Notice and quorum for action authorized under Sections 3 and 4”** The number of votes present at a meeting that will constitute a quorum shall be as set forth in the Bylaws of the Association, as amended from time to time. Notice requirements for any and all actions to be taken by the members of the Association shall be as set forth herein or in the Bylaws, as the same may be amended from time to time. The Majority Vote of the Members entitled to vote on a matter, as defined in the Bylaws, shall be the act of the Members, except as otherwise expressly provided in this Declaration. Any Member who is not a Member in Good Standing shall not be entitled to cast a vote on any matter coming before the Association.

Section 6. **“Uniform Rate of Assessment”** Both annual and special assessments must be fixed at a uniform rate for all Lots.

Section 7. **“Commencement and Collection of Annual Assessment”** The annual assessments provided herein shall commence as to all Lots upon recording of the Subdivision plat. The first assessment shall be adjusted according to the number of months remaining in the calendar year. The Association shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of the due date thereof and shall fix the dates such amounts become due. **Assessments may be made payable monthly, quarterly or annually.** Notice of the annual assessments shall be sent to every Owner subject thereto. The Association shall, on demand and for a reasonable charge, furnish a certificate signed by an officer of the Association or the Association management company, setting forth whether the assessment against a specific Lot has been paid, and may, on or before February 15, of each year, cause to be recorded in the office of the County Clerk of Hidalgo County, a list of delinquent assessments as of that date.

Section 8. **“Effect of Non-payment of Assessments, Remedies of the Association”** Any assessment not paid within thirty (30) days after the due date shall be deemed in default and shall bear interest at the maximum rate permitted by law from the due date until paid. The Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien against the property. The lien may be foreclosed through judicial or, to the extent allowed by law, non-judicial foreclosure proceedings in accordance Tex. Prop. Code Ann. Section 51.002, as it may be amended from time to time (the “Foreclosure Statute”), in like manner of any deed of trust on real property. In connection with the lien created herein, each Owner grants the Association, whether expressed in the deed or other conveyance to the Owner, a power of sale to be exercised in accordance with the Foreclosure Statute. At any foreclosure proceeding, any person, including but not limited to the Association and any Owner, shall have the right to bid for the Lot at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same. During the period in which a tract is owned by the Association following foreclosure, no assessment shall be levied on it. Suit to recover a money judgment for unpaid assessments and attorney’s fees shall be maintainable without foreclosing or waiving the lien securing the same.

No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Areas or abandonment of his lot.

Section 9. **“Subordination of Assessment Lien to Mortgage”** The assessment lien provided for herein shall be subordinate to the lien of any first mortgage. A sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a mortgage foreclosure or any proceeding in lieu thereof shall extinguish the assessment lien as to payments that become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Where the beneficiary of a first lien deed of trust obtains title pursuant to judicial or non-judicial foreclosure, neither it nor its successors and assigns shall be liable for the Assessments chargeable to such Lot which became due prior to the acquisition of title to such Lot by such acquirer. Such unpaid share of

Assessments shall be deemed to be common expenses collectible as a common expense from the remaining Members of the Association (including such acquirer, its successors and assigns).

ARTICLE IV. PROPERTY RIGHTS

Section 1. **“Owner’s Easements of Enjoyment”** Every Owner of a Lot shall have a right and easement of enjoyment in and to the Common Areas which shall be appurtenant to and shall pass with the title to such Lot, subject to the following rights of the Association.

(b) The right to dedicate or transfer all or any part of the Common Areas, including any improvements, to any municipality, public agency, authority, or utility for such purposes and subject to such conditions as may be agreed upon by the Members. No such dedication or transfer shall be effective unless an instrument executed by a Majority Vote of the Members, as defined in the Bylaws, agreeing to such dedication or transfer has been duly recorded.

Section 2. **“Delegation of Use”** Subject to such limitations as may be imposed by the Bylaws, each Owner may delegate his right of enjoyment in and to the Common Areas and facilities to the Members of his family, his guests, tenants, and invitees.

Section 3. **“Easements of Encroachment”** There shall exist reciprocal appurtenant easements as between adjacent Lots and between each Lot any portion or portions of the Common Areas adjacent thereto for any encroachment due to the unwillful placement, settling, or shifting of the improvements constructed, reconstructed, or altered thereon, provided such construction, reconstructed, or alteration is in accordance with the terms of this declaration. Such easement shall exist to a distance of not more than one (1) foot as measured from any point on the common boundary between adjacent Lots, and between each Lot and any adjacent portion of the Common Areas, along a line perpendicular to such boundary at such point. No easement for encroachment shall exist as to any encroachment occurring due to the willful conduct of an Owner.

Section 4. **“Other Easements”**

(a) Easements for installation and Maintenance of utilities and drainage facilities are shown on the recorded Subdivision map. Within these easements, no structure, planting, or other material shall be placed or permitted to remain which may damage or interfere with the installation and Maintenance of utilities, or which may damage, interfere with, or change the direction of flow of drainage facilities in the easements. The easement area of each Lot and all improvements therein shall be continuously maintained by the

Owner of such Lot, except for improvements for Maintenance of which a public authority or utility company is responsible.

(b) No dwelling unit or other structure of any kind shall be built, or maintained on any such easement, reservation, or right of way, and such easement, reservations, and rights of way shall at all times be open and accessible to public and quasi-public utility corporations, their employees and contractors, and shall also be open and accessible to Declarant, its successors and assigns, all of whom shall have the right and privilege of doing whatever may be necessary in, on, under, and above such locations to carry out any of the purposed for which such easements, reservations, and rights of way are reserved.

(c) There shall exist appurtenant easement of access to all Lots, within the Subdivision to the City of McAllen for the use of city personnel and equipment on city business.

Section 5. **“Right of Entry”** The Association, through its duly authorized employees, contractors, and delegated agents, shall have the right after reasonable notice to the Owner thereof, to enter any Lot at any reasonable hour on the day to perform such maintenance as may be authorized herein, save and except in case of an emergency, which threatens either life or property, in which case advance notice shall not be required.

Section 6. **“No Partition”** There shall be no judicial partition of the Common Areas, nor shall Declarant, or any Owner or any other person acquiring any interest in the Subdivision or any part thereof, seek judicial partition thereof. However, nothing contained herein shall be construed to prevent judicial partition of any lot owned in co-tenancy.

Section 7. **“Title to Common Areas”** The recordation of this Declaration shall serve as a dedication and conveyance to the Association, without consideration, of the fee simple title to the Common Areas free and clear of monetary liens and encumbrances other than those created in or subordinate to this Declaration. Notwithstanding the foregoing or any other provision contained in this Declaration, Declarant shall have the right to use, for no additional charge, any and all Common Areas for purposes of marketing signage and sales trailers, and/or in connection with the development of the Lots, from the date hereof through the date that Declarant closes on the sale of the last Lot in the Subdivision to a third-party buyer.

ARTICLE V USE RESTRICTIONS

No building or structure intended for or adapted to business purposes, and no apartment house, double house, lodging house, rooming house, hospital, sanatorium or doctor’s office, or other multiple-family dwelling shall be erected, placed, permitted or maintained on such premises, or on any part thereof, save and except the business of the Declarant and the transferees of the Declarant in developing all

Additionally, builders may display banners, streamers, signs and flags for marketing purposes on “model homes” for 60 days after such “model homes” are complete. See Section 23 below.

Section 9. **“Garbage Tanks, Equipment, etc.”** No Lot shall be used or maintained as a dumping ground for rubbish or trash and no garbage or other waste shall be kept except in sanitary containers. ARTICLE VIII

ARCHITECTURAL CONTROL

Section 1. **“Architectural Control Committee”** Declarant shall designate and appoint the initial Architectural Control Committee (“Committee”) consisting of three (3) adult persons (at the sole discretion of Declarant), which Committee shall serve until construction of a residence has been completed on every Lot in the Subdivision. If any Member becomes unable or unwilling to continue to serve during such term, Declarant, its successor or assigns, shall appoint a successor to finish the respective term. A majority of the Committee may designate a representative to act for it. Neither the members of the Committee, nor its designated representative shall be entitled to any compensation for service performed pursuant to this covenant. After construction has commenced or been completed on every Lot in the Subdivision, the duties, rights, powers and authority of the Committee shall automatically transfer, without any further formality, to the Association. Further, any or all of the duties, rights, powers and authority of the Committee may be assigned at any time, upon the unanimous decision of the Committee, to the Association. From and after the date of such assignment, the Association shall have full right, authority and power, and shall be obligated to perform the functions of the Committee as provided herein.

Section 2. **“Goal of Architectural Control Committee”** The goal of the Committee is to encourage the construction of single-family structures of good architectural design, quality and property size compatible with Declarant’s conceptual plan for the Subdivision. Single-family structures should be planned and designed with particular attention to the design and aesthetic appearance of the exterior and the use of such material, which, in the sole judgment of the Committee, will all create an attractive and harmonious blend with existing and proposed single-family structures in the immediate area and the natural surroundings. The Committee may disapprove the construction or design of a single-family structure on purely aesthetic grounds where, in its sole judgment, such disapproval is required to protect the continuity of design or values of the neighborhood and of other homeowners or to preserve the serenity and natural beauty of any surroundings. Prior judgment regarding matters of design or aesthetics shall not be deemed binding upon the Architectural Control Committee if the Committee feels that the repetition of such matters will have an adverse effect on the Subdivision.

Section 3. **“Function of the Architectural Control Committee”** The Committee shall function as the representative of the owners for the purposes herein set forth. No

building, roof, fence, wall or other structure of any nature whatsoever and no landscaping of any nature whatsoever that is readily visible from the street shall be erected, placed or altered on any lot (nor may any such item be subsequently replaced, treated or repainted in a manner which materially alters the exterior appearance of the item) until plans and specifications and a plat showing the exact location of the structure on the Lots in such form and detail as the Committee may deem necessary, shall have been submitted to and approved in writing by such Committee. The Architectural Control Committee or its representatives shall have the power to employ professional consultants to assist it in discharging duties. The decision of the Architectural Committee shall be final, conclusive and binding upon the applicant. All submissions to the Architectural Committee shall be at the address specified herein. Colors and types of stucco, roof, trim, roofing materials, front doors, fences, etc. will be reviewed by and must be approved by Committee. The Committee must also approve all landscaping plans. The Committee has developed a set of architectural guidelines to assist the Owners in designing and constructing their single-family residence. The Committee may modify the architectural guidelines at any time. An electronic copy of the architectural guidelines will be provided to Lot owners upon request.

Section 4. **“Procedures of Architectural Control Committee”** The Committee may establish and publish from time to time reasonable administrative procedures and separate building guidelines to supplement the restrictions. The address of the Architectural Control Committee as of the date hereof shall be as follows: 300 Jay Ave, McAllen, Texas 78504; and this address may be changes from time to time by the Architectural Control Committee by its filing of an Address Change Certificate in the Real Property Records of Hidalgo County, Texas.

Section 5. **“Powers”** The Committee shall have and exercise such powers and rights provided for in and consistent with the provisions of this Declaration. Each Committee member shall have one (1) vote. Except in those instances in this Declaration where the unanimous action shall be taken or any decisions made by the Committee except with the concurrence of not less than two (2) Committee members, however, a designated representative approved unanimously by all three (3) Committee members shall have the sole power to act on behalf of the Committee. The designated representative’s power may be revoked by a written communication to all Lot Owners. Each Committee member shall be entitled to receive (but may waive) not less than five (5) days written notice of each meeting of the Committee and of each action proposed to be taken and decision proposed to be made by the Committee (whether or not at a meeting).

Section 6. **“Approval of Plans and Specification”** No building, landscaping, fence, wall, road, driveway or other structure shall be commenced, erected, altered or maintained upon the Lots, nor shall any exterior addition to, or change or alteration therein, be made, except as set forth below, until samples of the stucco, exterior paint and roofing materials, and the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to, and approved in writing by, the Committee as to quality of workmanship and material, the harmony of external design with existing structures and location of such improvements in relation the surrounding structures and topography. The Committee must be provided with a full size set of plans and specifications along with an 8 ½ X 11 set. The full size set of plans will

be returned to Owner upon approval of the Committee and stamped as such so that Owner may obtain a building permit from the City of McAllen.

Section 7. **“Basis of Approval”** Approval of plans and specifications shall be based upon any one or more of the following:

- (a) The architectural and structural integrity of design.
- (b) Harmony and conformity of the design with the surroundings both natural and built.
- (c) Adequacy of the design to the conditions of the site.
- (d) Relation of finished grades and elevations to the neighboring sites.
- (e) Conformity to specific and general intent of these restrictions covering the particular platted unit of which the lot in question forms a part.
- (f) Aesthetic considerations determined in the Committee’s sole discretion.

Section 8. **“Failure of Committee to Act”** If the Architectural Committee fails to approve or disapprove the plans and specifications or to reject them as being inadequate within thirty (30) days after submittal thereof, it shall be conclusively presumed that such Committee has approved such plans and specifications. If plans and specifications are not sufficiently complete or otherwise inadequate, the Architectural Control Committee may reject them as being inadequate or may approve or disapprove them in part, conditionally or unconditionally, and reject the balance. The approval of the Architectural Control Committee to any submitted plans and specifications shall not be deemed as the approval of the Committee to any other items not expressly and specifically covered by such submitted plans and specifications.

Section 9. **“Failure to Comply”** Failure to comply the provisions herein shall submit the respective Lot Owner to injunctive relief and/or damages, pursuant to Article II, Section 3. The defendant Lot Owner shall pay all costs of court and attorney’s fees borne by the Association or other entity bringing such action should the Association or other entity, as the case may be, prevail.

ARTICLE IX

GENERAL PROVISIONS

Section 1. **“Enforcement”** Declarant, the Association, or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, easements, reservations, liens and charges now or hereafter imposed by the provisions of this declaration. Failure by Declarant, the Association, or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. **“Severability”** Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 3. **Amendments**

(a) **Declarant.** So long as the Class B membership exists, the Declarant may unilaterally amend this Declaration for any purpose. Thereafter, the Declarant may unilaterally amend this Declaration at any time and from time to time as otherwise specifically authorized by this Declaration, or if such amendment is (i) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation or judicial determination which is in conflict therewith, (ii) necessary to enable any reputable title insurance company to issue title insurance coverage with respect to any portion of the Property, or (iii) required by an institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans to enable it to make, purchase, insure or guarantee mortgage loans on any portion of the Property. However, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed number of affirmative votes required for action to be taken under the clause. No amendment may remove, revoke, or modify any right or privilege of Declarant without the consent of Declarant (or its assignee of such right or privilege).

(c) **Validity and Effective Date of Amendments.** Amendments to this Declaration shall become effective upon recordation in the real property records of Hidalgo County, Texas, unless a later effective date is specified therein. Any procedural challenge to an amendment must be made within six (6) months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate as a waiver or amendment of any provision of this Declaration.

Section 4. **Subordination** No breach of any of the conditions herein contained or re-entry by reason of such breach shall defeat or render invalid the lien of any mortgage made in good faith and for value as to the Subdivision or any Lot therein; provided, however, that such conditions shall be binding on any owner whose title is acquired by foreclosure, trustee's sale or otherwise.

Section 5. **Duration** The covenants and restrictions of this declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Declarant, Association, or any member thereof for a period of thirty (30) years from the date hereof, and thereafter shall continue automatically in effect for additional periods of ten (10) years, unless otherwise agreed in writing by the then owner of at least seventy five percent (75%) of the Subdivision Lots.

Section 6. **Compliance with Laws** At all times, each Owner shall comply with applicable, federal, state, county, and municipal laws, ordinances, rules and regulations

with respect to the use, occupancy, and condition of their Lot and any improvements thereon. If any provision contained in this Declaration or amendment is found to violate any law, then the provision shall be interpreted to be as restrictive as possible to preserve as much of the original provision as allowed by law.

Section 7. **"Leases"** Any and all lease agreements, whether written or otherwise, relating to Property in the Subdivision shall be subject to the terms of this Declaration. All Owners are responsible for ensuring that any and all of their tenants are complying with the terms of this Declaration.
